COMMENTS FROM THE TOWN MANAGERS' OFFICE

We have tried to meet the problem of drainage on Elm St. by installing several catch basins as well as laying a number of hundred feet of new drain pipe. With a good base of gravel we are in hopes this street will be able to meet the traffic demands for some time to come. About one-half of the street has been completed to date. I am in hopes you will soon receive an estimate of your new tax valuation and expected tax. The total valuation will be very near present sound values with a much lower rate. Please understand some errors will no doubt show up; you will have an opportunity to discuss these with the Assessors as well as the representatives of the valuation "agency."

Bethel is to be host to the District meeting of the Civil Defense personnel and Western Maine Manufacturers, Wednesday, Sept. 26, 1956, the Ladies Guild of the Congregational Church will serve supper. If you are interested in hearing Col. Mapes, State director, and would like to attend the supper meeting please contact Mrs. Nary at telephone 69.

Thanks,

AUTO ACCIDENT NEAR BRYANT POND TAKES WOMAN'S LIFE SUNDAY

Mrs. Marguerite Knowles, 64, of Portland was killed Sunday afternoon when the car driven by her husband, Chester Knowles, skidded, as a young man where he learned the jeweler's trade.

Returning to Bethel in 1910 he purchased the watch repairing business of the late George T. Lawrence, and for five years carried on a growing jewelry business in the Hastings building. In the fall of 1915 he purchased the business of Edward King in the Cole Block and for many years was engaged in the jewelry business with added lines of ladies' furnishings, gifts and novelties, phonographs and radios.

In 1913 he married Miss Barbara Carter, who passed away in 1948. They had two daughters, Catherine, now Mrs. Richard Bush, and Barbara, who is Mrs. Harry Kuziyk, both of Belmont, Mass.

Mr. Lyon was a member of the West Parish Congregational Church; Bethel Lodge, F & A M; and Kora Temple, Mystic Shrine. Funeral services were held Sunday afternoon at the Greenleaf funeral home, the Rev. Charles Pendleton officiating. Burial was at Riverside Cemetery.

That best portion of a good man's life, his little, nameless, unremembered acts of kindness and of love.

As the towns folk heard of the death of their friend and neighbor, they spoke together in admiration of him and his fine qualities, his friendliness and his abounding good nature.

He was a landmark, as a resident and a businessman in our village. For 46 consecutive years he has kept a shop on Upper Main Street. For 65 of his 81 years he has lived here in peace and contentment.

His watch, clock and jewelry business was widely known. One month ago a visitor from Belfast, Maine, displayed with pride a thin gold watch that he had bought from E. P. Lyon while on a business trip to Bethel forty-seven years ago.

Ed's fingers retained their nimble skill. His last conscious hour was devoted to mending a lamp for his brother Harry, with whom he spent the summer months on Greave Hill their beloved backyard.

There was a family of five brothers and one sister, theirs was a family that grew as time called. The family one by one, to pass through the valley of the shadows, the affection between these remaining two became even stronger.

Ed loved the simple things of life which are the great things. His devotion to his family and his love was unsurpassed. He loved the quiet ways that takes the streams and the granite hills.

His diversions were fishing, hunting and creating the words. His love for his fellow men found expression in the sociability of his lodge. His loyalty and faithful attendance of more than half a century was rewarded by the honor of serving the 50 year membership of Bethel Masonic Lodge.

Since the death of his wife in 1938 he has spent frequent vacations at the home of his daughter, Mrs. Richard Bush and Mrs. Harry Kuziyk in Belmont, Mass. He often had enjoyed his sons and was proud by them. Two grandsons, Edward Bush and Peter Kuziyk, were the apple of his eye.

No more will we see the deepened and familiar figure, nor look into his serene and friendly eyes, nor hear his sudden gay laughter. He would not have us sad but he would want to be remembered as remembered he will be.

Keep Maine Green. Forest fire prevention is everybody's business.

FORTY THOUSAND FUNERALS

will result from traffic accidents this year... w/1 yours - one of them?

Sudden death will strike over 40,000 men, women and children in traffic accidents in 1956, unless all of us do something about it!

Here's How You Can Help Stop Traffic Tragedies

1. Drive safely and courteously - yourself. Watch traffic and pedestrians carefully. Observe speed limits and wear seat-belts. Where drivers stay alert and obey the law, deaths go DOWN!
2. Insist on strict enforcement of all traffic laws in your community. Traffic regulations work for you, not against you. Wherever traffic laws are strictly enforced, deaths go DOWN!

unless they were in the contest last year. The scramble will be held at 4 p. m. Friday, Sept. 28. The scramble will be limited to 10 contestants. Fred Jenkins of Upton is in charge of registration. You can enter anytime till 5 p. m. on the day of the scramble if there are vacancies but it would be wise to enroll early.
